She's a wicked girl  
Worst in all the world  
A mystery lies in her  
She spends her days  
In a violent rage  
Try as i might, i love her  
Everytime the tears run dry  
The story goes  
What's left behind  
Shivers like a leaf  
Taciturn and gentle  
It's not hard to believe  
The girlshapedlovedrug messes with my mind  
(Don't, don't) Don't ask me why  
The girlshapedlovedrug messes with your mind

She likes to fight  
The whole world bang to rights  
Yours truely would die for her  
The growing pains  
Dissolve in lemonade  
The sweetness flies to her  
Everytime her temper flares  
A storm will blow  
What's left so rare  
A fragment of the girl  
Soft and sentimental  
The side she tries not to share  
The girlshapedlovedrug messes with my head  
(Don't, don't) Don't ask me why  
The girlshapedlovedrug messes with your mind  
(Don't, don't) Don't ask me why  
The girlshapedlovedrug messes with my mind

When the song is sung  
Don't let it colour your opinion  
That girl's my life  
I tell you everytime  
My tears run dry  
The moment's long  
And we design

My feelings for the girl  
I could not be without her  
I would surely still find  
The girlshapedlovedrug messes with my mind  
(Don't, don't) Don't ask me why  
The girlshapedlovedrug messes with my mind  
(Don't, don't) Don't ask me why  
The girlshapedlovedrug messes with your mind  
(Don't, don't) Don't ask me why  
The girlshapedlovedrug messes with my mind
