Pussyfootin, pussyfootin around, it's just got me down,
yeah
Pussyfootin, pussyfootin around, it's just got me down

Because I don't care what's made you frown
Just tired of my pussyfootin around

Pussyfootin, pussyfootin around, it's just got me down,
yeah
Pussyfootin, pussyfootin around, it's just got me down

Because I don't care what's made you frown
Just tired of my pussyfootin around

She has gone, gone to the stratosphere
She has gone, gone far away from here
She has gone, but anyone is coming down? ?

Pussyfootin, pussyfootin around, it's just got me down
Because I don't care what's made you frown
Just tired of my pussyfootin around
