Gonna take that medicine, cold cold medicine,
To make me what I am.
Gonna go down steady, gonna get my measure,
I got credit with the medicine man.
She'll make fire.
I'm on fire.
Well he makes the medicine and he takes credit,
Whe he puts it in my hand.
Gonna go down steady, gonna get my measure,
I got credit with the medicine man.
She'll make fire.
I'm on fire.
Rie's car running me over,
But I don't mind.
Rie's car driving me homeward,
'Cos I don't drive.
Rie's car running me over,
But I don't mind.
Rie's car driving me homeward,
'Cos I don't drive.
Well I'm smoking in bed again, I didn't get the sign that
said I,
Should be up by ten.
Gonna go down steady, gonna get my measure,
I got credit with the medicine man.
She'll make fire.
I'm on fire.
She'll make fire.
I'm on fire.
She'll make fire.
I'm on fire.
She'll make fire.
I'm on fire.
She'll make fire.
I'm on fire.
Rie's car running me over,
But I don't mind.
Rie's car driving me homeward,
'Cos I don't drive.
Rie's car taking me over,
But I don't mind.
But I don't mind.
But I don't mind.

But I don't mind.
