Well hey, how's tricks man Think I seen you before You
looked a lot older Blank blank do ya You been workin'
out what's wrong with that Well he came back and
Came marching in Shot shot to the He found a good
reason Do it for the money Control your bad side in to
peril what's wrong with that We come down You're so
fine Hold the line So please stop talking Dead wrong
it's the special occasions Start puckering up My ears
are blank Can't go wrong with that You do it for the
money Explode or capsize If you're down Provide my
poet Dead wrong Town the line You're so fine
