"Tear Your Love Apart"

Take my time dear,
(it's all yours)
As the Earth goes round the Sun.
Life takes some fighting,
(and it leaves scars)
And it keeps us on the run.

This is a game I'm longing to play
But I stumble at the start
If there's nothing, (tear our love apart)
If this is just a lie, (tear our love apart)
There's still nowhere I would rather be
(tear our love apart)
Now hold on tight

I'm not frightened,
And you keep me safe from harm
I'm not enlightened,
(Can't reach the stars)
But I'm closer in your arms

There is a flame that flickers and sways
But it knows why we're apart
If there's nothing, (tear our love apart)
If this is just a lie, (tear our love apart)
There's still nowhere I would rather be
(tear our love apart)
If there's nothing, (tear our love apart)
No place, no time, (tear our love apart)
There's still nowhere I would rather be
(tear our love apart)
Now hold on tight

There's nothing to blame,
To get in our way
Or tear our love apart
If we're in the same place,
It won't matter where we are
If there's nothing, (tear our love apart)
If this is just a lie, (tear our love apart)
There's still nowhere I would rather be

(tear our love apart)
If there's nothing, (tear our love apart)
If there's nothing, (tear our love apart)
If there's nothing, (tear our love apart)
If there's nothing
