I was always told that you had to have a ball to break
down,
Now I'm older I'm not too sure.
I was always told that you had to have a high to
lowdown,
An expert told me back in the war.
Open hearted surgery never works,
So eat your words or hide them in the dirt.
'Cos I don't need nobody to know me,
I don't want nobody to know.
I was always told that you had to have a ball to break
down,
Now I'm older I'm not too sure.
I was always told that you had to have a high to
lowdown,
An expert told me back in the war.
Open hearted surgery never works,
So eat your words or hide them in the dirt.
'Cos I don't want nobody to know me,
I don't need nobody to know.
Open hearted surgery never works,
So eat your words or hide them in the dirt.
'Cos I don't need nobody to know me,
I don't want nobody to know.
I don't see nobody to show me.
