From the bed to the car  
Let us stick to you now and then  
Move on, move on

Out of school, into home  
Let us swallow you whole  
Or just hold on, hold on

We were close  
Army dub  
Not as quick as you run, you run  
You run, you run

Brand new shirt  
Knackered shoes  
Coffee made, office blues  
And then run on, run on

Well, who's gonna take it like this  
No way  
You are, you are  
You are, you are, you are

Who's gonna take it like this  
No way  
You are, you are  
You are, you are, you are

The one-armed man  
The one-armed man  
The one-armed man

The one-armed man  
The one-armed man  
The one-armed man

Who's gonna take it like this  
No way  
Who's gonna take it like this  
No way

From the bed, in the car

Let us shower your heart  
And then move on, move on

It's the one fatal flaw  
Let us swallow you all, you all  
You all, you all

We were close  
Army dub  
Not as quick as you run, you run  
You run, you run

Who's gonna take it like this  
No way  
Who's gonna take it like this  
No way  
I said, you are, you are  
You are, you are, you are

Who's gonna take it like this  
No way  
I said, you are, you are  
You are, you are, you are

(Who's gonna take it like this  
No way  
Who's gonna take it like this  
No way  
Who's gonna take it like this  
No way)

You are, you are  
You are, you are, you are
