"Cry On Demand"

I wish I could cry on demand,
Boo Hoo, Boo Hoo
Given all these troubles on my mind,
The tears won't come out.

I've been shaking, shaking in my boots
Every time I hear my telephone ring
It can't possibly be you,
You never call,
Not since my little accident.

I didn't mean to cause any trouble
I didn't know we were so serious
Yeah, I didn't mean to burst our bubble
It can only float for so long

Now I realise, I realise they were wrong,
'cos what happens in Vegas,
Don't take very long,
To travel accross continents,
And onwards overseas,
Onto our little island,
To our city, our home,
But

I didn't mean to cause any trouble
I didn't know we were so serious

Yeah, I didn't mean to burst our bubble
It could only float for so long

Sometimes I wish, I could cry on demand
Boo Hoo, Boo Hoo
Given all these troubles on my mind,
The tears won't come out.

I didn't mean to cause any trouble
I didn't know we were so serious
Yeah, I didn't mean to burst our bubble
It could only float for so long

Sometimes I wish, I could cry on demand

Boo Hoo, Boo Hoo
Given all these troubles on my mind,
The tears won't come out.

I wish, I could cry on demand
Boo Hoo, Boo Hoo
Given all these troubles on my mind,
The tears won't come out,
The tears won't come out,
The tears won't come out
