"Free To Run"

Visit "[Free To Run](#)" on MotoLyrics.com

I'm free to run,
I walk slowly, along.
And everyone,
Walkin' slowly, along.
I walk slowly, along
I been walkin far too long,
Drag my feet like everyone.
Always wanted to run away, but
Walk slowly, along.
I feel, so tired.
I want to sit here for a while.
I can't see her,
In your smile,

Come sit here, let's hold
For a while.
I been walkin far too long,
Drag my feet like everyone.
Always wanted to run away, but
Walk slowly, along.
I walk slowly, along.
I walk slowly, along.
I'm free to run.
I'm free to run.
I'm free to run.
I'm free to run.
I'm free to run.
