She's a wicked girl
Worse than all the world
A mystery lies in her
She spends her days
In a violent rage
Try as I might, I love her
Everytime the tears are dry
The story goes
What's left behind
Shivers like a leaf
Tossed and turned and gentle
It's not hard to believe
The girlshapedlovedrug messes with my mind
(Don't, don't) don't ask me why
The girlshapedlovedrug messes with your mind

She likes to fight
The whole world binds her eyes
Yours truly would die for her
The growing pains
Dissolve in lemonade
The sweetness flies to her
Everytime her temper flames
The storm will blow
What's left so rare
A fragment of the girl
Soft and sentimental
The side she tries not to share

The girlshapedlovedrug messes with my head
(Don't, don't) don't ask me why
The girlshapedlovedrug messes with your mind
(Don't, don't) don't ask me why
The girlshapedlovedrug messes with my mind

When the song is sung
Don't let it call your opinion
That girl's my life
I tell you everytime
My tears run dry
The moment's long
And we design

My feelings for the girl
I could not be without her
I would still surely find
The girlshapedlovedrug messes with my head
(Don't, don't) don't ask me why
The girlshapedlovedrug messes with my mind
(Don't, don't) don't ask me why
The girlshapedlovedrug messes with your mind
(Don't, don't) don't ask me why
The girlshapedlovedrug messes with my mind
