Baby, put your hand, you wanna be with someone,
can't afford to be
Lay your hand with me, I'm too lazy to put my hand,
I wanna be somewhere, can't afford to stay
Let me drive you away, girl, because
Lately, we're goin' through a run of bad luck
She's goin' crazy, she only thinks the worst about us
I said 'please, please, please chill out,
It ain't exactly easy for me
More than that, it's for you, lay your head, girl
Lately I put my hand, I had to do something I couldn't
afford to do
But it's all I love to you, to be lazy

Put your hand, you wanna be somewhere you can't
afford to stay
Let me drive you away, because
Lately, we're goin' through a run of bad luck
She's goin' crazy, she only thinks the worst about us
I said 'please, please, please chill out,
It ain't exactly easy for me
More than that, it's for you,

When I look back, how things have changed
With patience, thought and restraint
I never thought it would go

Lay your head with me
Lay your head with me

Ooh, because
Lately, we're goin' through a run of bad luck
She's goin' crazy, she only thinks the worst about us
I said 'please, please, please chill out,
It ain't exactly easy for me
Or in that case, for you,

When I look back, how things have changed
With patience, thought and restraint
I never thought it would go

Lay your head with me

Lay your head with me
Lay your head with me
Lay your head with me
