The photographs don't lie
We can't be alone
We can't be
Dangerous and sublime
Don't try this at home
Don't try this

We used to be invisible
Unlike you I like movin'
I like movin'
Used to be invincible
Before you I liked movin'
I liked movin'

I get so nervous
Waitin' for a natural reaction and
I can't stop thinkin'
You'll explode
Leave me a nervous wreck
...a nervous wreck

The longest (??)
It keeps me afloat
It keeps me
New York City I know
Don't pick up the phone
Don't pick up

You used to be invincible
Unlike you I like movin'
I like movin'
Used to be invincible

Before you I liked movin'
I liked movin'

I get so nervous
Waitin' for a natural reaction and
I can't stop thinkin'
You'll explode
Leave me a nervous wreck

Oooh Oooh Oooh
I can't stop thinkin'
Oooh Oooh Oooh
I can't stop thinkin' (I can't stop thinkin')
Oooh Oooh Oooh
I can't stop thinkin' (I can't stop thinkin')

We need to be invincible
Unlike you I like movin'
I like movin'
Used to be invincible
Before you I liked movin'
I liked movin'

I get so nervous
Waitin' for a natural reaction and
I can't stop thinkin'
You'll explode
Leave me a nervous wreck
