You went there until you crash here Then woken up to wonder where the night went Keep breathing it'll come back again Tonight will be different We will all be saved

My name's Jimmy, I'm an alcoholic And I have been for 33 years or more So kill me. I will die without it It's like this wherever I go

So we crashed down in BB's Keep guiet because the guestion is elaborate You need a lawyer, a doctor, a drink To keep surviving Keep me firing

My name's Jimmy, I'm an alcoholic And I have been for 33 years or more So kill me, I will die without it It's like this wherever I go

I don't feel like going out I don't feel like going out Feel like going out

I don't feel like going out I don't feel like going out Feel like going out Feel like going out

My name's Jimmy, I'm an alcoholic And I have been for 33 years or more So kill me, I will die without it It's like this wherever I go

My name's Jimmy, I'm an alcoholic And I have been for 33 years or more So kill me, I will die without it It's like this wherever I go

Do you feel like going out?

Do you feel like going out? Do you feel like going out? Do you feel like going out? Do you feel like going out? Do you feel like going out?
