Take my time dear, it's all yours  
As the Earth goes 'round the Sun  
Life takes some fightin' and it leaves scars  
And it keeps us on the run

This is a game, I'm longin' to play  
But I stumble at the start

If there's nothin'  
(Tear our love apart)  
If this is just a lie  
(Tear our love apart)  
There's still nowhere I would rather be  
Now hold on tight

I'm not frightened, I'm all yours  
And you keep me safe from harm  
I'm not enlightened can't reach the stars  
But I'm closer in your arms

There is a flame that flickers and sways  
But it knows why we're apart

If there's nothing  
(Tear our love apart)  
If this is just a lie  
(Tear our love apart)  
There's still nowhere I would rather be  
(Tear our love apart)

If there's nothing  
(Tear our love apart, tear our love apart)  
No place, no time  
(Tear our love apart, tear our love apart)  
There's still nowhere I would rather be  
Now hold on tight

There's nothin' to blame  
To get in our way or tear our love apart  
If we're in the same place  
It won't matter where we are

If there's nothin'  
(Tear our love apart, tear our love apart)  
If this is just a lie  
(Tear our love apart, tear our love apart)  
There's still nowhere I would rather be  
(Tear our love apart)

If there's nothing  
(Tear our love apart, tear our love apart)  
If there's nothing  
(Tear our love apart, tear our love apart)  
If there's nothing  
(Tear our love apart, tear our love apart)  
If there's nothing
