It's 7, oh, 7 P.M.

Won't you set me up and show me how
It's gettin' late
All these people around me wear me out
Can't concentrate

But it's certainly the best in the town
For today everybody's gettin' down
Caught in a crossfire, nobody cares
Under the table and callin' your name

Won't you tie me up and seal my mouth
With gaffer tape
'Cause these people around, people all the time
It's not the same, not the same

But you're certainly the best in the town
Don't walk away, everybody's gettin' down,
everybody's gettin' down
Caught in a crossfire and nobody cares
Under the table and callin' your name

Your champagne and perfume
I'll see you again, see you again

Everybody's gettin' down
Everybody's gettin' down
Everybody's gettin' down
Everybody's gettin' down

Everybody's gettin' down
