From the day we arrive on this planet  
And blinking, step into the sun  
There's more to see than can ever be seen  
More to do than can ever be done

There is far too much to take in here  
More to find than can ever be found  
But the sun rolling high  
Through the sapphire sky  
Keeps great and small on the endless round

It's the circle of life  
And it moves us all  
Through despair and hope  
Through faith and love  
Till we find our place  
On the path unwinding

In the circle  
The circle of life

It's the circle of life  
And it moves us all  
Through despair and hope  
Through faith and love  
Till we find our place  
On the path unwinding  
In the circle  
The circle of life
