Do you ever stop and wonder Where you'd be without her

You listened, you listened, you listened To what she said to you

The sound of sounds enlightening

The whisper, the promise, the solace Of where you're lead to me Yeah

The sound of sounds enlightening Yeah

Her sound of sounds enlightening

Have you forgotten who you are (Have you forgotten who you are) Have you forgotten who you are (Have you forgotten who you are)

Could you ever stop and wonder Could you live without her

The sound of sounds enlightening Yeah

The sound of sounds enlightening Yeah

The sound of sounds enlightening Yeah, yeah (The sound of sounds enlightening)

The sound of sounds enlightening
