The operation's on
Moving forward
Don't know where we're going
But we're on our way

So raise the alarm
Moving forward
We don't know where we're going
We're going a long way

So move away from home
It's happening
We don't know where we're going
But we're on our way

Pack up anything you own
It's happening
We don't know where we're going
We're going a long way

If we're gonna survive
I gotta let go of you
I'm sorry that it took me so long
To open up and tell you the truth

The operation's on
Moving forward
We don't know where we're going
But we're on out way

So raise the alarm
Moving forward
We don't know where we're going
We're going a long way

If we're gonna survive
I gotta let go of you
I'm sorry that it took me so long
To open up and tell you the truth

If we're gonna survive
I gotta let go of you

I'm sorry that it took me so long
To open up and tell you the truth
