Welcome into the new wave
I, I guess it's been ten years
You gotta try to remember
The weight of the tide
You gotta try to remember
The weight of the tide

Yes, yes, yes you look wonderful
And, I, I look like I could use some rest

You gotta try to remember
The weight of the tide
You gotta try to remember
The weight of the tide

I'm on my best behavior
You wait for the drop
Wait for the drop

Cuz I gotta win, gotta win, let me win, gotta win
Gotta win, let me win, gotta win, gotta win
Let me win, gotta win, gotta win, let me win

Gotta win, gotta win, let me win, gotta win,
Gotta win, let me win, gotta win, gotta win
Let me win, gotta win, gotta win, let me win
Gotta win, gotta win, let me win, gotta win
Gotta win, let me win, gotta win, gotta win

You gotta try to remember
The way things are
You gotta try to remember
the way things are

Win, gotta win, let me win, gotta win,
Gotta win, let me win, gotta win, gotta win
Let me win, gotta win, gotta win, let me win
Gotta win, gotta win, let me win, gotta win,
Gotta win, let me win, gotta win, gotta win
Let me win, gotta win, gotta win, let me win
Gotta win, gotta win, let me win, gotta win
Gotta win, let me win, gotta win, gotta win
