Love me for money or love me for gain  
Love me for beauty or love me from shame  
Somebody told me it's all just the same, it's all the  
same

I want to share in your [incomprehensible] ain't fair  
So when you're hearing the point of this affair?  
Yet somebody told me it's going nowhere  
It's going nowhere

All the words inside my tiny heart are falling apart  
Falling apart today

Love me for money or love me for gain  
Love me for beauty or love me from shame  
Somebody told me that it's all the same, it's all the  
same

I want to share and your [incomprehensible] ain't fair  
The sun in your hair is the point of this affair  
Yet somebody told me it's going nowhere, it's going  
nowhere

All the words inside my tiny heart are falling apart  
Falling apart today

All the words inside my tiny heart are falling apart  
Falling apart today
