I'm living a lie, I'm getting you down, feeling the same,
I wanna get 'round to loving again,
Seeing a light, stoking a flame,
I wanna go down

I wish I could fly, I wish I could die for a moment in
time,
I wanna go back,
I'm loving again, I'm feeling so high, I want the same,
I wanna go back

Hey, I'm feeling alive, I was loaded as dice,
Sweet and sticky inside, I'm feeling love,
Split the night 'long the seam, break the day with a
scream,
Pouring gas on a fire, inside of me,
'Cause I know, I've been bad and I'm slow,
And I'm beating my head on the floor, now I know

I wanna let you go, again,
I wanna let you go, again,
Come on

'Wanna dive in the ocean when I'm feeling impure
'Wanna get it with you, just once more
Split the night 'long the seam, break the day with a
scream
Pouring gas on a fire, inside of me

Hey, I'm feeling alive, I was loaded as dice,
Sweet and sticky inside, I'm feeling love,

Split the night 'long the seam, break the day with a
scream,
Pouring gas on a fire, inside of me,
'Cause I know, I've been bad and I'm slow,
And I'm beating my head on the floor, now I know

And you give me so much, that I don't have to search,
I'm feeling so fine, because I love you,
We lay down on the floor and you beg me for more,
So I scream that I love you, 'cause I really do

Hey, I'm feeling alive, I was loaded as dice,
Sweet and sticky inside, I'm feeling love,
Split the night 'long the seam, break the day with a
scream,
Pouring gas on a fire, inside of me,
'Cause I know, I've been bad and I'm slow,
And I'm beating my head on the floor, now I know

I know what I want, I know what I need,
I know what I need, everything you can give,
And you give me so much, that I don't have to search,
I'm feeling so fine, because I love you
