I've been thinkin about the things she said  
How I'm dealing with deep, dark stuff  
I've been facing the voices in my head  
Rising up when the road gets rough

Haven't I seen enough?  
Chasin' this dream called love  
Seeing how it all adds up  
You'd think that I'd know better  
No other has every filled me up

I've been living a life of liberty  
I've been leaving a trail of tears  
I've been tramping around this great wide world  
Sadly singing this song for years

Haven't I seen enough?  
Chasin' this dream called love  
Seeing how it all adds up  
You'd think that I'd know better  
No other has every filled me up

So many loves  
So many broken promises  
I knew I couldn't keep  
So many nights  
Facing the loneliness that haunts me in my sleep  
This longing to be free

I've been thinkin about the things she said  
How I'm dealing with deep, dark stuff  
I've been facing the voices in my head  
I'm getting ready to rise above

Cause haven't I seen enough?  
Chasin' this dream called love  
Seeing how it all adds up  
You'd think that I'd know better  
No other has every filled me up

You'd think that I'd know better  
No other will ever fill me up

And haven't I seen enough?
