It isn't always easy loving you
With all the crazy moments we've been through
The trials and the troubles of the truth
That it isn't always easy loving me too

You've shown me all your secrets
I've told you all my fears
We struggle hard to keep this
From tumbling down, surrounding us in tears

Cause it isn't always easy loving you
With all the crazy moments we've been through
The trials and the trouble and the truth
That it isn't always easy loving me too
Nobody told me there'd be days you'd want to hide
Off on your own, and like a stranger by my side
Where do we go when we've become all we've denied
And hope seems so far away

No it isn't always easy loving you
With all the crazy moments we've been through
The trials and the troubles of the truth
That it isn't always easy loving me too
