Lullaby and good night  
Dream sweet dreams of love and light  
In your heart  
In your hands  
You are more than your desires or your demands  
And if you feel you can't keep hold  
Just let them go

Through the days  
Through the years  
Through the laughter and the tears  
You will grieve  
You will grow  
You'll be more than anyone will ever know  
And when you feel this can't be true  
I'll help you through

So when you feel you're on your own  
Got nowhere to go  
Turn yourself around; seek my shoulder

And when you feel you're on the ropes  
Close to losing hope  
I will hold you closer

Lullaby and good night  
Dream sweet dreams of love and light  
You are strong  
You are whole  
You are more than anyone will ever know  
And when you feel this can't be true  
I'm here for you

So if you think you're on your own  
Got nowhere to go  
Turn yourself around; seek my shoulder

And when you feel you're on the ropes  
Close to losing hope  
I will hold you closer

Lullaby and good night....
