In the night, on a holy place
I see a dreamlike lady/ girl
And i know, i will fuck this bitch
Nonstop and everywhere

1.) come with me, into my bed
And you get what you deserve
take off your dress and show me your tits
I will ejaculate/masturbate into your face

Refr. Fucking like an animal---Fuck
Fucking like a pig-----Fuck

2.)Into your pussy , I'll put my cock
To drive you into madness
You have no strength, you're screaming loud
Stop, I can't no more
Refr. Fucking like an animal---Fuck
Fucking like a pig-----Fuck

You love the pain, and you want more
You would like sex with brutality
Your pussy is bleeding, my cock is going blue
Your fingers scratch my bleeding ass

3.) I take my penis, and i fuck your tits
I ejaculate my blood into your mouth
I suck the bleeding pussy, i dive my hands into
I distribute your blood in your face

Refr. Fucking like an animal---Fuck
Fucking like a pig-----Fuck
