

Gomorrah "Into The Grave"

Visit "[Into The Grave](#)" on MotoLyrics.com

Into the grave you will go
To a holy place.
Suffering is contamination you mind
Into the grave you will die.

Your body is stiffen.
Blood streams out of your mouth.
Your face is deathly pale.
You have lost your soul.

No chance to survive.
The death has closed your eyes.

chorus: Into the grave you will die

Suffer is in the sky.
Into the grave you will go
Blood is in the moon

Darkness in your head.
Blood is in your mind.
Satan is in your mind.

Fuck off Jesus Christ
You are fantasy.
Satan is the boss.
