Babeh  
Better watch out  
He's a mean one  
Is he gay  
Ain't he just  
He's inbetween one  
He's turnin up mah life  
Makin me real shy  
If he told you some of the Things he tried Mama  
It'd make you shudder a might I wanna tell you now  
Oh. Oh you're Doctor Love.

Lover  
In his time  
Lie been a dancer  
Loser  
With the chicks  
He found the answer  
He prances with the guys

He'll give each one the eye Doncha ever turn your hack  
On the Doc you big  
Cos you sure in for a big surprise  
You wanna hear about

Oh you're Doctor Love  
Oh you're Doctor Love mm Doctor Yeah you're Doctor  
Love  
Mmm You're Doctor Love ? oh Doctor

Listen now honey,  
Don't you want mah seed  
I'd just as sooner  
Have some weed
