And I feel,  
All the faint morning light,  
Filled with hope 'cause you're here in my life,  
And we've gone,  
From the edge of our souls,  
Made it back to a place we call home.

You, see me through,  
I was alone in the dark and the fear was my truth.

Yeah, all the things that you are,  
Beautifully broken, alive in my heart,  
And know that you are everything,  
Let your heart sing and tonight, we light up the stars,  
All that you are.

I feel wrong,  
I'm so human and flawed,  
I break down even though I'm still strong,  
And time, will make fools of us all,  
Builds us up, and then laughs when we fall.

You, pull me through,  
When I'm alone in the dark and the fear was my truth.

Yeah, all the things that you are,  
Beautifully broken, alive in my heart,  
And know that you are everything,  
Let your heart sing and tonight, we light up the stars,  
All that you are.

You're the sound of redemption,  
The faith that I've lost,  
The answers I'm seeking no matter the cost,  
You opened the window,  
Now I can see,  
And you taught me forgiveness by giving your love  
back to me.

Yeah, all the things that you are,  
Beautifully broken, alive in my heart,

And know that you are everything,  
Let your heart sing and tonight.

Yeah, all the things that you are,  
Beautifully broken, alive in my heart,  
And know that you are everything,  
Let your heart sing and tonight,  
Let your heart sing and tonight, we light up the stars,  
All that you are.

Oh I feel,  
All the faint morning light,  
Filled with hope 'cause you're here in my life
