Everytime you point your finger  
Three more point right back at you  
I'm not sayin' that it's something wrong with life  
'Cause that's a sad excuse

And age old game of rat and mouse  
Chasin' us from house to house  
I'm not sayin' that there's something wrong with you  
It's wrong with me as well

Are you alive  
Amigone (...Miracles gone wrong)  
Is it to call and tell you to be strong  
Are you alive  
Amigone (...Miracles gone wrong)  
Was the poison in our love there all along  
Amigone

Heavenly intoxication  
Love's been marred by medication  
Ain't it funny how a life can take a turn  
When the end is near

Are you alive  
Amigone (...Miracles gone wrong)  
Is it too late to call and tell you to be strong  
Are you alive  
Amigone (...Miracles gone wrong)  
Is it too late to face the truth that it was wrong  
Amigone

I'm not sayin' that it's something  
I'm not gonna play along  
I'm not wishin' for a miracle  
That miracle's gone wrong  
And you're too strong

Amigone (...Miracles gone wrong)  
Is it too late to call and tell you to be strong  
Are you alive  
Amigone (...It's there all along)

Was the poison in our love there all along  
Are you alive  
Amigone (...Miracles gone wrong)  
Is it too late to call and tell you to be strong  
Are you alive  
Amigone (...It's there all along)  
Was the poison in our love there all along  
Amigone
