Beat me Jenny, beat me slowly, now  
Beat me Jenny, don't you know, I said  
Beat me Jenny, beat me slowly, now  
Beat me Jenny, don't you know  
I didn't love you  
All of the time  
But now you left me  
And it's a crime

Shamamama, I ain't beaten now  
Shamamama, don't you know, I said  
Shamamama, I ain't beaten now  
Shamamama, don't you know

Beat me Jenny, beat me slowly, now  
Beat me Jenny, don't you know, I said  
Beat me Jenny, beat me slowly, now  
Beat me Jenny, don't you know

I coulda loved you  
I didn't try  
You made me happy  
Oh, I've gotta fly
