Ecstasy is all you need
Living in the big machine now,
Oh you're so vain,
Now your world is way too fast,
Nothing's real and nothing lasts,
And I'm aware
I'm in love but you don't care.

Turn your anger into lust,
I'm still here but you don't trust at all,
And I'll be waiting,
Love and sex and loneliness,
Take what's yours and leave the rest,
So I'll survive,
God it's good to be alive.

(Chorus)
I'm torn in pieces,
I'm blind and waiting for
My heart is reeling,
I'm blind and waiting for you.

Still in love with all your sins,
Where you stop and I begin, and I'll
I'll be waiting,
Living like a house on fire,
What you fear is your desire,
It's hard to deal,
I still love the way you feel.

Now this angry little girl,
Drowning in this petty world,
And I'm
Who you run to
Swallow all your bitter pills,
That's what makes you beautiful,
You're all or not,
I don't need what you ain't got.

(Chorus)
I'm torn in pieces,

I?m blind and waiting for..
My heart is reeling,
I?m blind and waiting for you.

I?m blind and waiting for you,
I?m blind and waiting for you,
No I can?t believe its coming true,
God its good to be alive and I?m still here waiting for
you,
No I can?t believe its coming true,
I?m blind and waiting for you.
