Said you're burnin' up inside, no one seems to tell  
You're living from a personalized manual from hell

Life is pretty easy when it's from my easy chair  
And you're burnin' up inside and no one cares

Said you had enough this time, cause time don't treat  
you well  
You always cried coincidence, while I drew parallel

Life it seems so easy when it's from my easy chair  
And you're burnin' up inside, burnin' up inside  
Burnin' up inside and you hurt me!

Try to take my hand tonight, I'll show you where to start  
'Cause every word that left your lips is like a needle  
through my heart

And life it seems so easy when it's from my easy chair  
And you're burnin' up inside, burnin' up inside  
Burnin' up inside and you hurt my eyes  
(cause you're burnin' up inside)  
Hurt my eyes  
(cause you're burnin' up inside)  
Hurt my eyes  
(cause you're burnin' up inside)
