[verse 2 - gonzoe]

When you see some smoke in the air, club jumpin
The rest of these hoes to get undressed so I can rub

Baby the man at your house he mean nothin
Truly cuttin all of a sudden
We roll, let's go
Bitch don't slam my car door
To a caught the movie on and gave em twice the roll
It's like want somethin
Hit the liquor store
Cause I'm a playa
Girls stray from you and fuck nigga
Kill enough nigga
The bitch got stuffed nigga
I hit it and hit it
Till she says 'that's enough nigga'
Why? cause I'm a sly nigga
And my dick get bigger and bigger...

Conflict movie till I'm mows your lips
Watch y'all eat clits
Relax roll the rest of my sacks
Ease rooms, get back in the mix
