If you never had it then
You don't know how bad it is
There is nothing like it, well
Needless talk then, I can tell

Here comes the day, I sit and wait
Always, always something (Dominoes are falling still)
The bills keep coming, the car ain't running
Now I'm coming home again (As I know they always
will)
Another day, oh, the mailman's on his way
Just sit and wait (Dominoes a test of will)
Always pondering my fate too late
And then the day goes (Dominoes)

I borrowed from you yesterday
Little fuss that you have made
No one minds I can tell
Seems I've hit the ones you shall, but

Here comes the day, I sit and wait
Always, always something (Dominoes are falling still)
The bills keep coming, the car ain't running
Now I'm coming home again (As I know they always
will)
Another day, the mailman's on his way
Just sit and wait (Dominoes a test of will)
Always pondering my fate too late
And then the day goes (Dominoes)

Dominoes are falling still (Oh every day?)
As I know they always will (I sit and wait)
Dominoes a test of will (It's while I'm pondering my fate
too late)
Dominoes (And then the day goes)
