Early on the evening, just about suppertime  
Over by the courthouse, they're startin' to unwind  
Poor kids on the corner tryin' to bring you up  
Willie picks a tune out and he knows they gonna start

Down on the corner  
Out in the street  
Willie and the Poor Boys are playin'  
Bring a nickel tap your feet

Johnny hits the washboard, people just gotta smile  
Robby thumbs a gut-bass and solos for a while  
Poor boy brings the rhythm on his kalamazoo  
And Willie goes into a dance doubles on kazoo, Hey!

Down on the corner  
Out in the street  
Willie and the Poor Boys are playin'  
Bring a nickel tap your feet

Down on the corner  
Out in the street  
Willie and the Poor Boys are playin'  
Bring a nickel tap your feet

Down on the corner  
Out in the street  
Willie and the Poor Boys are playin'  
Bring a nickel tap your feet

You don't need a penny just to hang around  
But if you got a nickel won't ya lay your money down  
Over on the corner there's a happy noise  
People come from all around to watch the magic boy

Down on the corner  
Out in the street  
Willie and the Poor Boys are playin'  
Bring a nickel tap your feet

(repeat and fade)
