The strands in your eyes
The color them wonderfull
Stop me
Then steal my breath
Emeralds from mountains
Thrust towards the sky
Never revealing their depth

Tell me
That we belong together
Dress it up
With the trappings of love
I'll be captivated
I'll hang from your lips
Instead of the gallows
Of heartache that hang from above

I'll be
Your crying shoulder
I'll be
Loves suicide
I'll be
Better when I'm older
I'll be
The greatest fan of your life

And rain falls
Angry on the tin roof
As we lie awake in my bed
You're my survival
You're my living proof
My love is alive
Not dead

Tell me
That we belong together
Dress it up
With the trappings of love
I'll be captivated
I'll hang from your lips
Instead of the gallows

Of heartache that hang from above

I'll be
Your crying shoulder
I'll be
Loves suicide
I'll be
Better when I'm older
I'll be
The greatest fan of your life

I dropped out
I burned up
I found my way back from the dead
I tuned in
And turned on
Remembering the things that you said

I'll be
Your crying shoulder
I'll be
Loves suicide
I'll be
Better when I'm older
I'll be
The greatest fan of yourrr...
I'll be
Your crying shoulder
I'll be
Loves suicide
I'll be
Better when I'm older
I'll be
The greatest fan of life
