I am a question to the world  
Not an answer to be heard  
Or a moment that's held in your arms  
And what do you think you'd ever say?  
I won't listen anyway  
You don't know me  
And I'll never be what you want me to be

And what do you think you'd understand?  
I'm a boy, no, I'm a man  
You can't take me and throw me away  
And how can you learn what's never shown?  
Yeah, you stand here on your own  
They don't know me  
Cause I'm not here

Chorus:  
And I want a moment to be real  
Wanna touch things I don't feel  
Wanna hold on and feel I belong  
And how can the world want me to change?  
They're the ones that stay the same  
They don't know me  
Cause I'm not here

And you see the things they never see  
All you wanted I could be  
Now you know me and I'm not afraid  
And I want to tell you who I am  
Can you help me be a man?  
They can't break me  
As long as I know who I am

Chorus:  
And I want a moment to be real  
Wanna touch things I don't feel  
Wanna hold on and feel I belong  
And how can the world want me to change?  
They're the ones that stay the same  
They can't see me  
But I'm still here

They can't tell me who to be  
Cause I'm not what they see  
Yeah, the world is still sleepin'  
While I keep on dreamin' for me  
And their words are just whispers and lies  
That I'll never believe

Chorus:

And I want a moment to be real  
Wanna touch things I don't feel  
Wanna hold on and feel I belong  
And how can they say i'll never change?  
They're the ones that stay the same  
I'm the one now  
'Cause I'm still here

I'm the one now  
Cause I'm still here  
I'm still here  
I'm still here  
I'm still here
