When I was three feet tall  
I loved 'em all  
And lived life for myself  
Fallin' down for laughs  
Your photograph  
Some puppets made of felt

Watching life in Oz Thanksgiving eve on Grandma's old  
TV  
Dancing roundabout I'd twist and shout for everyone to  
see

Impersonality  
It's leanin' hard on me

Momma's in a shop  
Watching little sister by myself  
Robbed a wishing pond  
In a fleeting bond  
Vowed to share the wealth

Scooping up the coins  
A warning shot from some authority  
Doesn't matter now but I'll shout out loud for everyone  
to see

Never got to know you  
Did you ever wonder why?  
Now it's nice to know ya  
And I'm glad you're doing fine

Think of all the time lost  
Was it really lost at all?  
Now I'm so proud of ya  
I'd love to tell you all I see  
Listen hard to your realities

Impersonality  
It's leanin' hard on me  
Impersonality  
It's leanin' hard on me
