What kind of situation
Have I brought upon myself
Some kind of bad reaction
Blamed it all on someone else

Oh well

Don't pretend like you know my name
'Cause I ain't never seen you before
Don't pretend like you know my name
'Cause I ain't never seen you before

You got me laughing at me
Laughing all by myself
I had a drink on Friday
Heard the news from someone else

Don't pretend like you know my name
'Cause I ain't never seen you before
Don't pretend like you know my name
'Cause I ain't never seen you before

You got me running?
Running far from myself
You got me coming?
Coming home to someone else

Oh well?

Don't pretend like you know my name
'Cause I ain't never seen you before
Don't pretend like you know my name
'Cause I ain't never seen you before

I tried to find the truth but every word I had came back
(?)

Don't pretend like you know my name
'Cause I ain't never seen you before
Don't pretend like you know my name
'Cause I ain't never seen you before

Don't pretend like you know my name
'Cause I ain't never seen you before?
Don't pretend like you know my name
'Cause I ain't never seen you before
