I wake up, I'm staring at the clock
My belly hurts and my head is like a rock
I get up to see what I can see
Furthest I got was my black and white TV
Eyewitness News brought to you at noon
Oh my God, guess I got up too soon

Because Oh I feel like laughing
Oh I feel like laughing
Oh I feel like laughing
All because of you
All because of you

I didn't mean to wear this disguise
But I can't stand the look in my eyes
Oh I didn't mean to lie
I was doing what I thought was right
Come on, walk right down the line
You'll be walking till the end of time

Because oh I feel like laughing
Oh I feel like laughing
Oh I feel like laughing
All because of you
All because of you

Oh I feel like laughing
Oh I feel like laughing
Oh I feel like laughing
All because of you
All because of you
