I'm on a mission baby  
I'm not hearing what you're saying  
Stop preaching at me now

I'm not a revelation  
Superstar or new sensation  
I'm just hiding away my frowns

Oh no..

We don't see eye to eye  
On your side  
I'm on your side  
With a smile and a sigh  
On your side  
I'm on your side

5 a.m. I shut my eyes  
Then my worries tranquilized  
Don't think the morning comes too soon

If I don't see the morning  
That's OK they're pretty boring  
See you tomorrow afternoon

Oh No..

We don't see eye to eye  
On your side  
I'm on your side  
With a smile and a sigh  
On your side  
I'm on your side

We don't see eye to eye  
On your side  
I'm on your side  
With a smile and a sigh  
On your side  
I'm on your side

You're living in a trailer  
Friends all think that you're a failure  
But are you thinking for yourself?

You read the Sunday paper  
Wife's pissed off 'cause you ain't laid her  
Rolling pennies for your wealth

Me Too..

We don't see eye to eye  
On your side  
I'm on your side  
With a smile and a sigh  
On your side  
I'm on your side

We don't see eye to eye  
On your side  
I'm on your side  
With a smile and a sigh  
On your side  
I'm on your side

We don't see eye to eye  
On your side  
I'm on your side  
With a smile and a sigh  
On your side  
I'm on your side
