[gonzoe] (talking)

Hahahahaha... (ooohhh) you fuckin bitch

Yes, come on bounce to this (you talk too mother fuckin' much bitch, we don't like...)

[gonzoe]

Yeah yeah yeah

Salute to the 88 spokes on the coupe

Wide open, axle broken

Fly down to the spot

Cause my shit too hot

Like what, why not have kass

Live life to the fullest

Escape bullets, nigga

It's still rubble

How things look like kings

Just cause I love it

I can't give it up

The ass is on the sluts

It's enormous (come on)

I pass on nothin (what)

Smash on niggaz for nothin

It's ritzy

Smoke one blaze down to fifty

Every bomb cock wanna get with me

And ya nigga can't stand me

Cause a nigga all up in your pretty panties

Whatever... (whatever)
