"Stand Alone"

Somewhere there's a culprit lowin'
Hard rain is gonna fall
While old man Dillion laughs at our song
Now I'm feelin' all alone
And I'm cold and bare as stone
But it just doesn't matter
I can't stand it
Gonna die alone
Can't understand it anyhow

Was a time I felt like dyin'
Now I'm glad that time is gone
Cuz tonight we're gonna live forever on
And when I wrote this down
I was drinkin' all alone
But it just doesn't matter
I can't stand it
Gonna die alone
Can't understand it anyhow

Lookin' for a place I know
Ain't been there for so long
And I gotta back there
I can't stand it
Gonna die alone
Can't understand it anyhow oh

I can't stand it
Gonna die alone
Can't understand it anyhow oh
