Well, I saw you once  
Then I blew it for the next ten thousand days  
I should have flapped away  
I needed to come back and show you  
I needed to go back  
I know it's wrong  
I laughed to get along

[chorus]  
Mama just called  
Says she's tucked away  
Mama just called  
Says she's tucked away another day  
Mama just called  
Says she's tucked away  
Mama just called  
Says she's extra sad today

Well, I spent the whole day yesterday  
On cliché's about love  
Making me remember when your pushes became  
shoves  
I wanted to come back and show you  
Needed to go back  
I know it's wrong  
I laughed to get along

[chorus]

So why'd you go and play my trust  
Today's the same as yesterday, and I'm okay  
? ? i take the time this weatherman did time again to  
get along? ?  
Since you've been gone  
I'll get along anyway at all

Mama just called  
Says she's tucked away  
Mama just called  
Says she's tucked away another day  
Mama just called

Says she's tucked away  
Mama just called  
Says she's tucked away another day  
(tucked away)  
(tucked away)  
(tucked away)  
(tucked away)
