Every time you point your finger
3 more point right back at you
I'm not sayin' that it's something wrong with life
'Cause that's a sad excuse

An age old game of rat and mouse
Chasin' us from house to house
I'm not sayin' that is something wrong with you
Is wrong with me as well

Are you alive, Amigone?
(Miracles gone wrong)
Is it to late to call
And tell you to be strong?

Are you alive, Amigone?
(Miracles gone wrong)
Is it too late to face the truth
That it was wrong, Amigone

Heavenly intoxication
Love's been marred by medication
Ain't it funny how a life can take a turn
When the end is near

Are you alive, Amigone?
(Miracles gone wrong)
Is it to late to call
And tell you to be strong?

Are you alive, Amigone?
(Miracles gone wrong)
Is it too late to face the truth
That it was wrong, Amigone

I'm not sayin' that it's something
I'm not gonna play along
I'm not wishin' for a miracle
That miracle's gone wrong

And you're too strong, Amigone
(Miracles gone wrong)

Is it too late to call
And tell you to be strong?

Are you alive, Amigone?
(Miracles gone wrong)
Is it too late to face the truth
That it was wrong, Amigone

Are you alive, Amigone?
(Miracles gone wrong)
Is it too late to call
And tell you to be strong?

Are you alive, Amigone?
(Miracles gone wrong)
Is it too late to face the truth
That it was wrong, Amigone
