Baby's black balloon makes her fly  
I almost fell into that hole in your life  
And you're not thinking about tomorrow  
'Cause you were the same as me  
But on your knees

A thousand other boys could never reach you  
How could I have been the one  
I saw the world spin beneath you  
And scatter like ice from the spoon  
That was your womb

Comin' down the world turned over  
And angels fall without you there  
And I go on as you get colder  
Or are you someone's prayer

You know the lies they always told you  
And the love you never knew  
What's the things they never showed you  
That swallowed the light from the sun  
Inside your room

Comin' down the world turned over  
And angels fall without you there  
And I go on as you get colder  
Or are you someone's prayer

And there's no time left for losin'  
When you stand they fall

Comin' down the world turned over  
And angels fall without you there  
And I go on as you get colder

All because I'm  
Comin' down the years turn over  
And angels fall without you there  
And I'll go and lead you home and  
All because I'm  
All because I'm

And I'll become  
What you became to me
