I see her every morning
middle of the street.
The suits don't even notice
staring at their feet.
She hears the secret choir
that sings for me and you
you know I don't believe her
but I say I hear them too

Angel
You're bullet proof
You're so high
You see the truth,
and I'm still on the ground
pretending I,
that I could be like you.

She asked if I'm a lover.
I say I try to be.
She said love until your heart breaks,
cause there are no guarantees.

Angel
You're bullet proof
You're so high
You can see the truth,
and I'm still on the ground
pretending I
that I could be like you

Call out to heaven
just to let them know
you're here.
Stay with me a moment.
Say I'm not alone.
Tell me that I feel
again.

Angel
You're bullet proof.
You're so high.

You see the truth,
and I'm still on the ground pretending I --
How could I have ever passed you by? --
I'm still on the ground pretending I --
That I could be like you.
