You whispered in my mouth
And I spit you words right back
How good do you think I'll look
When the words start to break and crack?

You beat your head upon your wall
You disconnect yourself from it all
Cuz you know that you're so beautiful and so
untouchable
And I want to get in so bad, and I don't know how
No, I don't know how

Cuz you're gone, and you ain't coming back
Yeah you're gone, and you ain't coming back

You held your hand so close
And I just can't push you away
I wished you could be my girl
But you're stuck in a grown up world

You beat your head upon your wall

You disconnect yourself from it all
Cuz you know that you're so beautiful and so
untouchable
And I want to get in so bad, and I don't know how
No I don't know how

Cuz you're gone, and you ain't coming back
Yeah you're gone, and you ain't coming back

You beat your head upon your wall
You disconnect yourself from it all
Cuz you know that you're so beautiful and so
untouchable
And I want to get in so bad, and I don't know how
And I don't know how

Cuz you're gone, and you ain't coming back
Yeah you're gone, and you ain't coming back
Yeah you're gone, and I wish you'd come back
