If you never had it then  
You don't know how bad it is  
There is nothing like it, well  
Needless talk, then, I can tell but

Here comes the day I sit and wait... (Dominoes are falling still)  
Oh, it's always something  
The bills keep coming, the car ain't running... (As I know they always will)  
Now I'm bummin' home again  
Another day, oh, the mailman's on his way...  
(Dominoes, a test of will)  
Just sit and wait  
Always ponderin' my fate too late... (Dominoes)  
And then the day goes

I bought them from you yesterday  
Little butts til you ask me  
No one minds, I can tell  
Seems I've hid the ones you shall, but  
Here comes the day I sit and wait... (Dominoes are falling still)  
Oh, it's always something  
The bills keep coming, the car ain't running... (As I know they always will)  
Now I'm bummin' home again  
Another day, oh, the mailman's on his way...  
(Dominoes, a test of will)  
Just sit and wait  
Always ponderin' my fate too late... (Dominoes)  
And then the day goes

Dominoes are falling still... (Oh, every day)  
As I know they always will... (I sit and wait)  
Dominoes, a test of will... (That's why I'm pondering my fate too late)  
Dominoes... (And then the day goes)
