And i'd give up forever to touch you
cause i know that you feel me so love,
your the closest to heaven that i've ever been and i
don't want to go home right now
and all i can taste is your sweetness
and all i can breath is your life
but sooner or later it's over, i just don't wanna miss you
tonight

Chorus:

and i don't want the world to see me, cause i don't
think that they'd understand
when everything's made to be broken, i just want you to
know who I am.

And you can't fight the tears that ain't coming, all the
moments and truth in your life
when everything feels like the movies, yea you bleed
just to know your alive

chorus

end chorus: (THE SAME HAS NORMALLY EXCPET YOU
REPEAT TWICE AND REPEAT THE LAST LINE FOUR TIMES
